### **ORGANISATION SUMMARY AND OBJECTIVES OF THE POST**

---

#### **Context of the Post**

We are seeking an experienced Asylum/Immigration Solicitor or Caseworker to provide casework under two project streams.

- a) We are taking part in a sub-regional project to assist homeless people or those at risk of homelessness to improve their immigration status. The project will be partly funded under a grant from Greater London Authority as well as casework undertaken under our Legal Aid Agency contract. The project is part of GLA's London wide Immigration Advice for Rough Sleepers initiative. The project is funded for 2 ½ years from July 2022 but casework and legal aid funding will extend beyond the end of the project. We already have one caseworker designated to the project and our referrals come from South London Refugee Association.
- b) For a number of years we have been undertaking EUSS work particularly in Wandsworth. We are looking to widen scope and referral routes from Wandsworth Council and community based organisations to help people to regularise their status so that they can access statutory services and support. The main source of referrals will come from Citizen Advice Wandsworth and through the community network.

We are looking for someone on either a full-time or part-time basis. You will be taking referrals predominantly from designated sources. We are looking for someone who can show the care and attention to our clients and the command of detail which is a hallmark of our work.

The successful applicant will need to be able to demonstrate that they satisfy the Legal Aid Agency Standards to represent unaccompanied minors and be accredited at IAAS level 2 as they will need to be able to take on and develop a caseload. You will also need to get an enhanced DBS check.

Our immigration team is a small friendly, experienced and respected team of caseworkers and solicitors. We won Legal Aid Team of the Year - Solicitors Journal Awards 2017, where we were commended on our work with extremely vulnerable individuals, including victims of trafficking and unaccompanied minors. One judge was said to have been highly impressed by our submission in the knowledge that our fellow short-listees were 'elephants against mice in terms of resources.' We were the only Law Centre to be shortlisted. We regularly get referrals from the Refugee Council, South London Refugee Association, Helen Bamber Foundation and Freedom from Torture (Medical Foundation). We are part of a London wide partnership tackling immigration problems for homeless people.

We have a strong emphasis on quality – the team was again rated as “Excellent” in an independent Peer Review for the Legal Aid Agency in January 2022, Feedback from the review included:

“An exceptional level of client care was provided to vulnerable clients. A large proportion of the files reviewed related to clients who were vulnerable as a result of their youth, mental illness, physical illness, or experience of trauma (sometimes all of these).”

“There was evidence of good quality work being carried out on the files reviewed which led to some positive outcomes being achieved and on complex legal matters.”

#### The Law Centre

SWLLC is a community based legal practice and a registered charity. Our history dates back to 1974 when the first Law Centres in Wandsworth were created. We became SWLLC in 2004 through the merger of a number of Law Centres in South West London.

We now work across six South West London boroughs (Croydon, Merton, Kingston, Richmond, Sutton and Wandsworth) helping people to understand and enforce their legal rights. In doing so, we address the root causes of social injustice – poverty, family breakdown, unemployment and exploitation. SWLLC provides full legal casework, representation and advice in the following areas of social welfare law: Community Care, Debt, Employment, Housing, **Immigration & Asylum** and in a limited way in Welfare Rights. We represent clients in all courts and tribunals. We help over 6,000 people per year through casework/representation, being the housing duty solicitor schemes at Croydon, Kingston and Wandsworth County Courts giving emergency representation in possession hearings for rent and owned homes and at the warrant stage for evictions, and through our pro bono schemes.

SWLLC has a long history of using volunteers and running one of the largest pro bono advice schemes in the country covering a wide area of legal problems. Since the pandemic these are now all run virtually.. We estimate in any one year over 400 volunteer lawyers will help with our clinics. There are 16 firms involved with the clinics as well as individual solicitors.

You can find out more from our website [www.swllc.org](http://www.swllc.org) of the scope and breath of work carried out by the Law Centre. .

**GUIDANCE FOR APPLICANTS**

**General Guidelines**

1. Give only information, which is relevant to the post.
2. Complete all sections of the form. You will need to do this in order to be fairly compared to other candidates. All information given is treated as confidential.
3. Complete a rough draft first. This avoids mistakes and untidiness and enables you to organise and review the information you put on the form.
4. Get feedback from other people and make sure you give examples, which demonstrate your ability to do the job.
5. Complete the form in type, word processor, black ballpoint or ink.

**Selection Criteria – The Person Specification**

The skills, experience and qualification described in the Person Specification are the criteria against which you will be assessed and short-listed. Make sure you have covered each section of the Person Specification in your application form.

**Employment**

When completing this section include relevant part-time work or work taken on a voluntary basis. Outlining your previous work experiences or other responsibilities may help you to uncover relevant skills, which are clear signs of your ability to do the job.

### **Further Information**

In section four of the application form you should try to show how you are able to do the job. Rather than simply repeating your career history, look at the skills and experience required for the job and provide evidence that you possess them. Concentrate on the things you know and what you can do rather than on what other people in your group or workplace can do.

### **References**

Where possible at least one of your referees should be a previous employer; either you're present or most recent employer. If you have not previously been employed, or have not worked for some time, give the name of someone who knows you sufficiently well to confirm the information given and who can comment on your ability to do the job. (You must not provide a relative or partner's name as a referee).

### **Monitoring Information**

This section is included in order to monitor the effectiveness of SWLLC's Equal Opportunities Policy, which aims to ensure that all applicants are treated fairly. All information is treated in confidence and used only for statistical monitoring.

The monitoring section of the application form is not used as part of the selection process. Consequently, if for example you have a disability, and this is an item in the person specification, **do also mention it in the main part of your application form.**

**Finally – take a copy of the form and keep it to remind yourself of what you have said if you are called for an interview. Good Luck!**
