DO YOU LIVE IN TEMPORARY ACCOMMODATION IN CROYDON, OR HAVE YOU BEEN PLACED THERE BY ANOTHER COUNCIL? JOIN OUR TEMPORARY ACCOMMODATION CAMPAIGN AND ACTION GROUPS!

What is the temporary accommodation campaign?

The main aim is sharing support and experiences, and taking collective action.

Ways to get involved :

Attend our action group at South Norwood Community Cafe. These are informal meetings led by those living in temporary accommodation.

At the meetings, we share food and support, and help each other identify legal remedies and write complaints.

Issues discussed in these meetings are raised at quarterly Town Hall Forums with policy makers and via other routes, as a way of pushing for change.

We know that not everyone can join day-time action meetings, so there are other ways to get involved in ways that work for you. To find out more, please get in touch.

If you would like to know more, you can either attend an action meeting or contact Rhi at community@swllc.org / 0208 208 5757
