

COMMUNITY INVOLVEMENT

**DO YOU WANT
TO BE PART OF
ACHIEVING JUSTICE
FOR OUR
COMMUNITY?**

OUR COMMUNITIES DESERVE ACCESS TO JUSTICE

We provide free or low-cost expert advice to people across South-West London, to help them understand and uphold their rights. We also stand with people facing injustice and push for change.

YOU CAN HELP WITH:

- Taking up economic justice issues with our community.
- Attending workshops that could increase your access to justice.
- Joining our Temporary Accommodation Campaigns in Wandsworth, Croydon or Merton.
- Campaigning to improve welfare issues impacting our community.
- Supporting our work to improve temporary accommodation.
- Connecting your community with the Law Centre.
- Speaking out about injustice to media and politicians.
- Being part of our Economic Justice Network.
