Our network of 400 pro bono lawyer volunteers and 40 members of staff provide free expert legal advice to individuals and families across six boroughs in South West London, helping them navigate complex legal issues when they need it most.

Our areas of expertise:

- Housing
- Money Advice/Debt
- Cost-of-Living
- Work/Employment

COMMIT TO MAKING LEGAL JUSTICE ACCESSIBLE FOR ALL

**We need you now...
more than ever.**

OUR IMPACT

Our work doesn't just resolve immediate crises— it empowers people to move forward with confidence, knowing their rights are protected.

Over 5,000 people advised annually by our solicitors and volunteer lawyers.

£1.5 million in legal advice provided to our community every year through our lawyers.

Court Duty Scheme for possession cases in Kingston, Croydon and Wandsworth, covering all of South West London.

WHY DONATE

Without the free legal advice and representation we provide, many in our community would be unable to access justice, simply because they can't afford a lawyer. Your support helps transform these situations, making a real difference for people in the most vulnerable situations.

We are supported by grants, corporate donations, and legal aid; however, these funds are not sufficient to keep our doors open. We urgently need your help...
